

Nick Webber Trust Safeguarding Policy

Nick Webber Trust takes the safety of children and vulnerable adults very seriously. As a grant-making charity, the Trustees and supporters of NWT seldom come into direct contact with children or vulnerable adults. However, in circumstances where Trustees and supporters of NWT may be assisting or supporting one of its partner organisations, they undertake to check and abide by the relevant Safeguarding Policy of that partner. The Board of NWT will immediately sever any connection with any Trustee or supporter of NWT found to have ignored this policy, or brought any children or vulnerable adults into any kind of danger.
